From Ron McCain Ancestry.Com Collection (09/05/2021)

SUMMARY

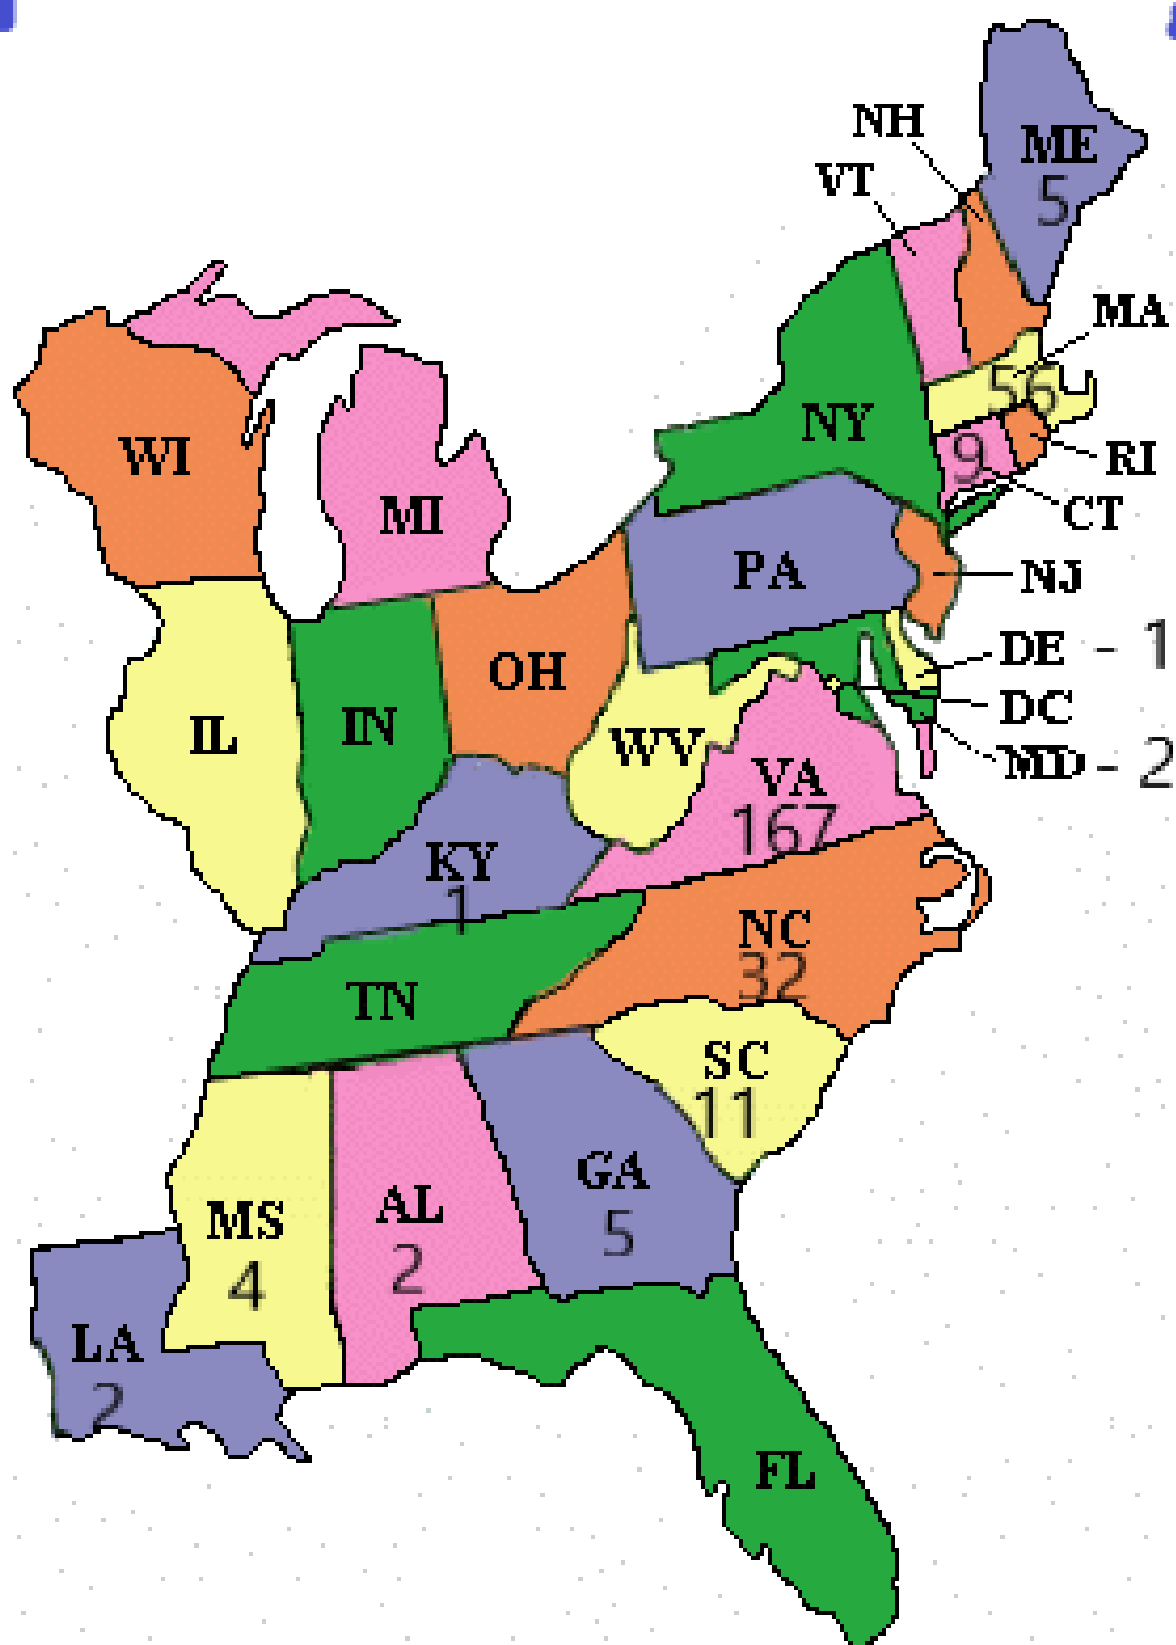

This family tree includes known ancestors of Wilbur L. (Bill) Davenport and his descendants. It includes all of her identified ancestors (including birth, marriage, and death locations and dates) through their immigrant ancestors. All of this ancestral information, including additional family details, and supporting data, are contained in the Ron McCain Ancestry.Com Family Tree.

The earliest identified immigrants were 13th great grandparents of grandchildren of Wilbur Davenport, Edward Berkeley (1563 – 1622) and spouse Elizabeth Jane Page (1573 - 1640), who lived in Beverstone, Gloucestershire, England. Most of the early immigrants resided in Massachusetts and Virginia. The earliest Massachusetts immigrants likely were part of the Plymouth migration to Plymouth Colony during the 1620-1633 timeframe. The earliest Virginia immigrants likely were part of the migration to Jamestown during the early 1600's.
